Lakeville, Minnesota

Position Profile

City Administrator

Lakeville, Minnesota

Salary Range – \$134,414 – \$161,295

Lakeville is a thriving city of cohesive neighborhoods, vibrant businesses, and successful partnerships. Working together, education, commerce, and local government have built a dynamic city offering a wide array of shopping, housing, and business development opportunities.

Our parks, lakes, and award-winning schools are alive with countless cultural, recreational, educational, and leisure activities. Lakeville is also ideally positioned for easy access to the Twin Cities' numerous regional amenities and attractions.

With a current population of over 58,000, we continue to be one of the fastest growing communities in the Twin Cities metro area. This rapid growth brings new opportunities and new challenges. How well we meet these evolving challenges will determine how successful our community is as we grow to become one of the largest cities in Minnesota.

The Mayor and City Council are seeking a City Administrator who is a “proven leader with dynamic vision to guide Lakeville as we grow into the future.”

From a historic downtown to industrial and high-tech business parks, Lakeville continues to attract quality growth while maintaining the small-town feeling and high quality of life that make it exceptional. We offer you the opportunity to help us build the future for our remarkable community.

"Housing and schools remain the major reasons for settling in the City of Lakeville. The search for "small town or rural ambience" is a secondary motive for locating in the community. When people move to the city, location remains the most often valued characteristic of the community."

2012 Community Survey, Decision Resources.

Envision Lakeville

In 2013, the City completed a plan that sets forth a vision for the future of Lakeville. This plan articulates a set of community values.

Community Values:

Diversified Economic Development

We value the stability and independence provided by a strong, diversified local economy.

Good Value for Public Services

We value high-quality public services delivered cost effectively.

Safety Throughout the Community

We value living in a community where people feel safe everywhere they go.

Design That Connects the Community

We value a well-designed community and we place a priority on development that enhances connectivity and accommodates our changing needs.

High Quality Education

We value and are committed to high-quality education that sets us apart.

A Home for All Ages and Stages of Life

We value living options for people of all ages and stages of life.

A Sense of Community and Belonging

We value the sense of belonging that comes from our traditions and institutions, and we strive to support and preserve them.

Access to a Multitude of Natural Amenities and Recreational Opportunities

We value widespread access to nature, the outdoors, and recreational opportunities of all kinds.

Strategic Priorities

- Increase economic sustainability.
- Support high-quality education.
- Continue to be a community of choice.
- Cultivate a sense of community.
- Provide services that add value.

Achieving the promise of this vision requires focus and follow-through. The new Lakeville City Administrator would be charged with leading the follow-through to make this community vision a reality.

Conclusions

- In many instances, Fitchburg tracks more closely with the City of Madison than it does with comparable inner ring suburbs
- This indicates we are doing our “fair share” in terms of income and housing diversity, but also means we experience similar disparity issues
- Significant development of new housing currently underway, especially multifamily units
- The complete Housing Assessment may be found on the city web site
